

Chester County Intermediate Unit Seeks Its Next Division Director of Innovative Educational Services

The **Chester County Intermediate Unit (CCIU)** in Downingtown, PA has an opening for the **Division Director - Innovative Educational Services**. At the CCIU, we pride ourselves on the creativity, dedication, and collaborative spirit that our employees bring to their work every day, and we know that achieving success together takes a team approach! We strive to hire exceptional, motivated, and passionate individuals that help us achieve our vision of acting as educational leaders who contribute to a better Chester County and beyond.

This position oversees the Innovative Educational Services Division, managing leadership development programs, professional learning, and curriculum leadership services for Chester County educators. Responsibilities include coordinating statewide initiatives for the Pennsylvania Department of Education, such as the Statewide System of Support Programs, and ensuring compliance for local school districts. The role also develops collaborative professional learning communities and creates feedback systems to meet the evolving needs of educators. Additionally, the position facilitates learning networks for assistant superintendents and leads the Aspiring Superintendents Leadership Academy. Other duties include overseeing grant-related programs, coordinating certification and endorsement offerings, and providing leadership in educational technology integration to improve student outcomes.

Candidates must have a Master's degree in Education, Principal Certification and PA Superintendent Letter of Eligibility, and experience and expertise in the areas of classroom instruction, educational theory, curriculum development, assessment, and adult education.
