

ESU 7 – Chief Administrator

Educational Service Unit 7 located in Columbus is filling a vacancy for the position of Chief Administrator. Columbus is located approximately 65 miles northwest of Grand Island, 45 miles south of Norfolk and 85 miles west of Omaha. ESU 7 provides services to 19 school districts in seven counties including Boone, Butler, Colfax, Merrick, Nance, Platte, and Polk. ESU 7 has a current Strategic Plan with identified priorities of Mentoring, Professional Development, Customized Services, and Data Stewardship.

The position requires an Education Specialist with a Doctoral degree desired. An additional preference would be for the candidate to have five years of administrative experience in a school district or educational service unit.

The board at the ESU 7 is seeking a forward-thinking professional to provide strong leadership to the staff and board. This individual will possess knowledge of all levels of running an ESU including education policy, ESU budgets and facility improvements. Applicants should also have experience with the programs and services ESU's provide to member schools to support all educators and students.
